Notification No. 6866—*Spl.* dated 11th
January 1944.

In modification of this office Notification No. 6467—*Spl.* dated the 5th January 1944, the following revised notification is published.

Declared holders may, in respect of grains allowed to be retained by them, exchange grain of the same value at prevailing rates at any rural sales depot, paddy, ragi or jola, one for the other, subject to availability and also to the condition that the grain so allowed does not exceed the limits of the total quantity of grain allowed to be retained by them.

B. S. RAGHAVENDRA RAO,
Director.

Deputy Commissioner.

5167

KADUR DISTRICT.

Notification No. 44. 2441—43-44, dated
Chikmagalur, 4th January 1944.

Whereas it is reported that "Rinderpest" is prevailing in the undermentioned villages in all the Taluks and the Sub-Taluk of the District and whereas it is necessary to prevent the spread of the disease to other parts, it is hereby notified as follows for the information of the general public, under Acts VI of 1899 and II of 1927 and Rules 6 and 12 of the rules framed thereunder.

1. That no person in any of the undermentioned villages having in his or her possession or under his or her custody any animal which has lived in the same shed or stable or in the same herd of flocks as an animal declared to be suffering from such disease shall allow it to mix with other animals or shall sell, exchange or transfer it.

2. That no owner or persons in charge of cattle within any of the undermentioned villages shall take his or her animal or animals outside the limits of the villages nor shall take his or her animal or animals to a gomal or common grazing ground, the right of grazing in which belongs wholly or in part to other villagers:

Provided that restrictions specified under paras 1 and 2 above shall not apply to cattle inoculated at least ten days prior to the date of such movement, sale or exchange.

3. That no person shall bring any cattle from such infected area to any cattle market or fair.

4. Persons intending taking cattle to Otley cattle and Vegetable Farm from Chitaldrug, Hassan and other Districts should before entering the limits of Kadur District invariably obtain the necessary certificate from Veterinary Officer of the Districts of Chitaldrug, Hassan, to the effect that the cattle are inoculated successfully against 'Rinderpest' and are inoculated ten days prior to such movement as the movement of infected cattle from place to place helps the spread of Rinderpest. The certificate should describe in detail each individual animal protected by inoculation.

5. Any action done in contravention of this order will render the offender liable on conviction to a fine which may extend to Rs. 50 and to a further fine of Rs. 5 for every day during which the breach continues.

This will be in force for one month with effect from 8th January 1944.
